Dear Joel:

I hand herewith for your execution a Declaration and Power of Attorney and an Assignment concerning the above-identified U.S. Patent application. I have also enclosed herewith a copy of the PCT Application, which was filed with the United States Patent Office and assigned U.S. Serial No.: 09/297,649, for your review.

If the application is in order, please execute both the Declaration and Assignment in blue ink where indicated and date and complete the blanks where also indicated in each document. Please note that the Assignment must be notarized.

Once the documents have been executed, kindly overnight them back to me in the enclosed Federal Express envelope so that I can file them with the U.S. Patent Office on or before July 5th.

If you have any questions, please advise.
